# Petlife KarmaWrap

Gives your dog a calming hug

**KarmaWrap** works because...like giving a hug, or swaddling a baby, the constant gentle pressure applied around your dog's chest and torso helps her/him feel safe and secure. With this wonderfully induced sense of security she/he feels calmer and displays amazingly quieter and more relaxed behaviour.

**KarmaWrap** has been proven to work on 85% of distressed or anxious dogs and with a '100% Money Back Guarantee', if returned within **45 days** from proof of purchase you are assured 100% satisfaction.

... and just 5 easy steps to fit

## Important measuring instructions

**KarmaWrap** is available in different sizes to suit the variation of size within each individual breed.

To ensure correct size for your dog, measure completely around the chest, just behind the front legs.

Size is shown on barcode label.
